Hello everyone,

I'm told we are close to having a budget deal so I need the latest numbers (as of May 1) for the GA Bill Spreadsheets you prepared in February. Please update any information that you can to reflect the most current amounts in revolving funds and federal funds (as of 5/1/16)...I know you don't have your FY-17 appropriations yet (nor do I know what they are yet), so leave that blank. If we don't hear from you, we'll go with the numbers we got in February. Or if nothing has changed, let me know that as well. I might need this info as soon as Monday.

Don't shoot the messenger!! Let me know if you have any questions!

Thank you!
